

In the Specification:

Please amend and substitute the following paragraph for the paragraph beginning on page 21, line 16, as follows:

In Figure 6A, the force provider assembly 628 includes a force provider 632 and a fluid source 636 and that are somewhat similar to the force provider 332 and the fluid source 336 described above. Alternatively, for example, the force provider assembly can be designed without the fluid source or with multiple force providers. In this embodiment, the force provider 632 includes a provider housing 638 and a piston assembly 640.
